# 5 FUN THINGS YOU DON'T WANT TO MISS!

# 1. Broadway at the Beach

Broadway at the Beach in Myrtle Beach is a place with something for everyone. Shopping, dining, attractions including Ripley's Aquarium, Wonderworks, Simpsons 4D, Amusement Pavilion with a ferris wheel and more!

# 2. Alligator Adventure

Get up close and personal, from a safe distance of course, with a variety of different alligators including the King of the Crocs and an albino alligator. This 15 acre self guided reptile zoo is surround by wetlands and houses many other animals including flamingos, owls, hyenas, lemurs, and more. There are also educational shows and feeding times.

# 3. Cherry Grove Nature Trail

The nature trail in Cherry Grove is a peaceful place to enjoy the beauty that surrounds the Cherry Grove area. You will see crabs, a variety of sea birds, lizards, and more. You can also put in a paddle board or kayak at the launch right next to the trail entrance!

# 4. NMB Parks & Sports Complex

The North Myrtle Beach Parks & Sports Complex is a hidden gem with free things to do. There are soccer fields, baseball diamonds, open green space, playgrounds, dog parks, walking trails, bike paths, and picnic areas. It also houses the Shark Wake Park, Obstacle Island, and Shark Shack which is a great way to spend the day and also a great value, outdoor amphitheater, segway tours, and electric bike tours.

# 5. Best Beach Spots!

Whether you are in Myrtle Beach or North Myrtle Beach there are two places that are my favs!

The Tilghman area in North Myrtle Beach is not only my favorite but a local favorite. This section of North Myrtle has no oceanfront high rises which means....less people! You have more space to stretch out and a bit of a quieter day at the beach.

In Myrtle Beach they have the Million Dollar Mile which is also a stretch of the beach with no oceanfront buildings.

You can't lose with either spot!

I hope you enjoyed our guide and keep an eye out for upcoming guides including places to eat, stay, and more!
